CALLING ALL VOLUNTEERS

Downingtown Middle School needs your help! We are looking for volunteers for several activities that are sponsored by the Home & School Association.

When parents are involved in the school, kids have better self esteem and academic achievement. There are so many different ways to volunteer your time - you can find something that fits your family commitments, priorities and time constraints. Your generous help with volunteering is greatly appreciated! If interested, please email us at dddevelin@yahoo.com or call at 610.269.3018 — THANKS!!

- **Helping in the library shelving & repairing books**
 - **Contributing a baked or bought item for a special H & S function**
